ERNEST CAMPBELL

Ernie

It sure has been a lot  
of fun this year talking  
to you after the games 3'  
at school. Well after Friday  
we will have made it half  
ways thru high school. It's  
so hard to believe; we were  
just freshmen the other day.  
Well have a lot of fun this  
summer 3' try to stay out of  
trouble.

Love,  
Diane

- Ernie -  
Golly! School  
almost out and we only  
have two years left of  
school. Isn't that great! I  
hope you play football next  
year so that I can yell  
for you. It's a great sport!  
I hope you have fun this  
summer. Be good + take  
care. "Spirit of '74"  
Love  
Kathy

Ernie,  
Good Luck  
for next year  
And have a good  
summer. Sue '75

# Dedication

We, the MISSION staff of 1972, wish to dedicate this year's book to ALL our advertisers of the past and the future. These individuals, businesses, companies and organizations, helped us give Ripon High students an annual of quality at a lower cost. If it were not for their financial assistance year after year, our MISSION would be fiction and not fact.

Gone with the wind.

A junior's work is never done.

Caged at last!

We take from the rich and give to the poor.

What's wrong with M.J.C.?

Don't lose your heads girls.

## LOOKING BACK

... Sometimes we laugh

Sometimes we cry

Sometimes we grin

Sometimes we sigh.

But always with fondness we will recall

Each precious memory, one and all.

Evy, don't let Roo climb that pole!

"What do ya mean, the fine is \$52,85?"

DISMISS!!

Terry packs another punch for the Ripon Indians.

"Smile when you say that!"

The graduating class of 1972 has distinguished itself as being a very "personable" class with a fine sense of humor. These traits have kept our spirits high even when things seemed to get rough. We do not intend to exaggerate and build ourselves up into the greatest graduating class ever. We're just a group of normal teenagers who through the help of the faculty and administration, generally have a good idea of who we are and what we want to be.

During our Freshman and Sophomore years we "got-it-together." As a group, we helped each other through thick and through thin; we crammed for tests and cheered the Indians on to victory together. What we accomplished in these two years laid the foundation for the work and responsibility we encountered as upperclassmen.

Homecoming! What a colorful memory! A spirited rally, Thursday night in the gym, (due to winds and worried firemen), started the weekend, with the Sophomores winning the first annual Spirit award after cheers for the team. Those Sophomores might of won for the loudest noise, but it was one question who won the beauty award as five favored senior girls were escorted in by five handsome gentlemen. Mr. O'Leary, Grand Marshall, announced Judy Machado as the excited and surprised queen, and cheers filled the gym once more. Later, for those night-watchmen, the bon-fire was put ablaze, mysteriously by persons unknown.

More action was in store for Friday. Two o'clock started cars and floats rolling down the parade route, with fingers crossed and anxious eyes all looking upward. The game that night was a smashing success with our win over the Mariposa, Grizzlies.

Homecoming 1971 was coming to a close as girls hurried home to dress, preparing to meet that certain someone on the dance floor while Extacy turned to a real colorful mood. The Juniors really "Colored Our World" with another Homecoming memory that will continue to live on and on.

L. to R.: R. Lange, V. Pres.; M. Macedo, G. Van Der Laan, Clerk; F. Chincholo, Pres.; and F. Lagler. These are the elected individuals of the community who work many hours behind the scene to keep our schools running smoothly. Some decisions that directly effected the high school were: the expansion of the shop area and the hiring of a third teacher. Our students now participate in the Regional Occupation Program and the Vocational Education Act for high school vocational courses. Our band was given permission to attend the East/West game and the seniors planned to go to Disneyland for grad night. Major reroofing and cooler installations were done on the E Building which make the rooms pleasant on hot days. To these men we say thank you!
